

Greetings!

At Theater For Young Audiences, youth acquire valuable knowledge, attain practical life skills, develop friendships, challenge their creativity, and cultivate a strong work ethic while working side by side with trained professionals and knowledgeable volunteers in the theater arts.

Your tax-deductible donation is essential in ensuring that our ticket prices remain affordable, and to offset our rent, insurance, and printing costs. Your dollars also help us purchase office equipment and production supplies, such as lumber, lighting gel, luan, paint, glitter, paper, stamps, ink – and everything else needed to stage our shows.

Thank you in advance for your generous donation!
